WELCOME BACK

We welcome back our students and their families to another exciting term at Regentville PS. Our Year 6 students, along with their teachers, have started their excursion bright and early today. The Canberra and Snow excursion will see the children busily engaged in lots of varied activities over the next three days. Highlights of the excursion will no doubt include the visit to the snow, the War Memorial and Questacon.

Parents are reminded that access to important information about what is happening at our school, including the calendar of scheduled events, can be found on our school website. The Regentville PS Facebook page is also a great way to keep informed of the regular happenings at our school.

SCHOOL SWIMMING SCHEME

Swimming School is running again this year.

We have two sessions starting from 3 November to 14 November. It is open to students in Years 2 and 3.

With the summer holidays fast approaching it is a wonderful opportunity for your children to develop necessary skills in swimming and water safety. This is a great opportunity for your children to learn to swim, perfect their swimming style and learn water safety.

Notes have been handed out to students and money needs to be returned by 22 October. Spaces are filling fast.

Remember places are allocated on a first in basis.

Only $65 for the 10 day program
